

TESTIMONIALS – MARBACH OPEN HOUSE 2019.

On the occasion of the opening of the new Marbach branch in Michigan City, we organized an Open House on 18.09.2019. The event was a complete success. We were able to make contact with new and well-known people. We asked some visitors about their first impression of the event:

ANGELA FRANTZ, MASTERTAG

ALBERTO CORTES, FOLI

Very interesting, many things I did not know that I learned today. Everything is of great quality. The event was very well organized and managed like clockwork. I had some questions that prompted during the presentations that I am addressing with the presenters so I can learn some more. I would rate the event a 10/10.
