

Counter plate.

Marbach Creasing Channels (MCC).

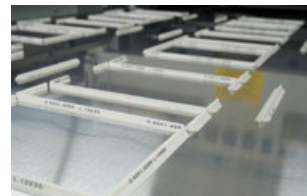

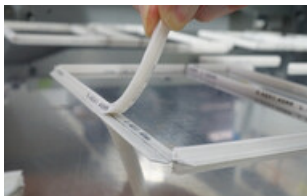

Marbach Creasing Channels (MCC) – the creasing channels from Marbach. This allows you to design your counter plate individually. Simply cut to size. Attach to the creasing rule. Remove adhesive foil. Put into the machine. Make impression. Pull off clip-on profile. Die-cut. Done. MCC are available in various sizes. As is the matching cutting plate.

For the matching selection, use the [Marbach Web-App!](#)

For few creases
