

Logistics & equipment

mdss.

PERFECTLY STORED.

Good in-house logistics save you time. So store your die cutting tools in the Marbach die storage system (mdss). The tools will be perfectly protected here. Readily accessible. And retrievable anytime. As a modular system. Optionally extendable. Different sizes of cassettes and transport systems are available depending on the size of your mdss. For best performance. Before the cutting process even begins.

flexible

expandable
