PACKAGING. PERFORMANCE. YOU.

1.

PACKAGING. PERFORMANCE. YOU.

We offer our customers innovative solutions and services for the highly efficient production of their packaging. Our focus is always on maximum performance: whether with our die-cutting and thermoforming tools, our materials or our services. And not least with our range of future-oriented digital solutions.

Die-cutting technology: cutting dies for the packaging industry.
Materials for packaging producers and diemakers.

Tool manufacturing: Thermoforming tools for the plastics processing industry.

THE INTEGRATED MANAGEMENT SYSTEM.

The management system at Marbach secures and regulates our operational structures and processes. It is built on four pillars:

ENSURING QUALITY.	MINIMIZING RISKS. WORKING SAFELY.	CARRYING RESPONSIBILITY. ACTING SUSTAINABLY.	MARBACH. BETTER AND BETTER.
			
<p>The name Marbach stands for: excellent quality, reliability, products that meet the most exacting requirements, stable processes and competent employees. Our integrated management system regulates how we ensure quality through reliable work and testing as well as how we optimize processes and resource planning. The excellent qualifications of our employees as well as the targeted maintenance and care of our operating equipment ensure optimum quality conditions.</p>	<p>As a globally active company group, we are a reliable partner for our customers, employees and all our business partners.</p> <p>When operating a business, there are numerous factors which can lead to operational disruptions, failures and accidents. With our risk and occupational safety concepts, we ensure a sustainable and stable business environment.</p>	<p>Environmental protection, social responsibility, and the continued existence and healthy growth of the Marbach Group are values that count in our family-owned company. Within the framework of our CSR (Corporate Social Responsibility) declaration, we take responsibility and commit ourselves to sustainability: ecologically, economically and socially towards our customers, employees, suppliers, society and the environment.</p>	<p>Good ideas ensure the success and innovative strength of a company - and this is also the case at the Marbach Group. Through innovations, we expand our technology leadership and thus secure our future and that of our customers. With a professional innovation management and our internal suggestion program, we continuously improve our products, processes and working conditions.</p>
